DMX ADAPTER

Switchcraft introduces our new series of DMX adapters. The DMX adapters were developed for use in the theater lighting industry. The adapters allow the end user to use standard 3 pin XLR cable assemblies in connecting DMX equipment. The adapters are available in 3 pin male to 5 pin female and 5 pin male to 3 pin female. All are wired "straight through."

Features and Benefits

- Nickel-plated die-cast housing increases durability
- Pre-wired for immediate use
- Available in two configurations

Market

- Theater lighting
- Any DMX application

Specifications

Shell:

Die-cast zinc, satin nickel finish

Insert Insulation:

Molded thermoplastic

Socket contacts:

Silver-plated copper alloy, tarnish-resistant

Pin contacts:

Silver-plated copper alloy, tarnish-resistant
