| Specification and Dimensions subject to change                                          |
| Drawings illustrate normal insulator positioning                                        |
| <b>Material Specification:</b>                                                          |
| Shell Material: Aluminium alloy                                                         |
| Shell Plating: Olive drab chromate over cadmium (conductive)                            |
| Insulator Material: CR-Elastomere                                                       |
| Contact Material: Copper alloy                                                          |
| Contact Plating: Hard silver                                                            |

|                                                                                                                                                                            |                                                                                                                                                |
