Base Data

Local Order Number BLANK-W

Type BLANK

Color White (WH)

Features and Benefits • The connector module is a keystone footprint that inserts into HellermannTyton's standard flush wall plates.

Product Description HellermannTyton's line of modular faceplates provides a great amount of flexibility. Offered in single gang or dual gang styles, these faceplates can be used with flush or angled modules. Up to four angled outlets can be installed in a single gang faceplate, providing an efficient solution for high capacity applications.

Short Description Blank Module, ABS 94V-0, White, 1/pkg
