### Base Data

**Local Order Number** FPICONC-BLK

**Type** FPICONC

**Color** Black (BK)

**Features and Benefits**

- Icons are simple to remove from the wheel and with one easy insertion the icon snaps quickly into the modular faceplate.
- Multiple colors available to assist with color coding.

**Product Description** Available in the same colors as the modular jacks, HellemanTyton's icons are ideal for identifying the modular faceplates. They are offered in rings of 16 icons with six rings in a bag. Each ring contains five voice icons, five data icons and six blank icons.

**Short Description** Modular Faceplate Icon Ring, Black, 6/pkg

### Product Dimensions

### Logistics and Packaging
