Modular Faceplate Icon Ring, Green, 6/pkg

Download drawing

Download spec sheet

Base Data

Local Order Number FPICONC-GRN

Type FPICONC

Color Green (GN)

Features and Benefits

- Icons are simple to remove from the wheel and with one easy insertion the icon snaps quickly into the modular faceplate.
- Multiple colors available to assist with color coding.

Product Description Available in the same colors as the modular jacks, HellermannTyton's icons are ideal for identifying the modular faceplates. They are offered in rings of 16 icons with six rings in a bag. Each ring contains five voice icons, five data icons and six blank icons.

Short Description Modular Faceplate Icon Ring, Green, 6/pkg
