- Features and Benefits**
- Features quick release for repetitive access to cable and wire.
 - Can be opened and closed numerous times without failure.
 - Head size is twice as wide as the strap to provide extra strength.

Product Description The Low Profile Grip Tie is a self gripping hook and loop strap that can be easily wrapped around a bundled and fastened onto themselves for a secure hold. The modest thickness of the back-to-back hook and loop is ideal for small areas without the worry of snagging.
