Features and Benefits

- Raceway and fittings are manufactured from a UL94 V0 rated material to insure compliance with codes
- All fittings have been designed to maintain the required 1" minimum bend radius to meet TIA/EIA-568-B and 569-A standard
- Raceway and fittings are UL Listed to 600 Volts to meet new UL5A and CSA 22.2 No. 62-93 standards
- Patented hinged cover speeds installation time by allowing installer to partially mount cover prior to laying cables

Product Description HellermannTyton's InfoStream non-metallic raceway system can accommodate up to four separate channels of electrical, voice, data, video or fiber optic cabling. The elliptical shape is aesthetically pleasing when compared to other designs. The raceway's unique and patented design make installations quicker and easier.
