FCI CONFIDENTIAL

This document is the property of and embodies CONFIDENTIAL and PROPRIETARY information of FCI. No part of the information shown on this document may be used in any way or disclosed to others without the written consent of FCI. Copyright FCI.

See BOM details in sheet 2.

- Notes:
1. To make the drawing clear, cable assembly is not included in this drawing. Details are listed in 10079188.
 2. RoHS status of the product: All of the materials are RoHS compliant EXCEPT PCB (516 RoHS). Refer to corresponding FCI globe document: GBS-07-016, please.
 3. Continuity test, hi-pot test and function test should be implemented.
 4. Make sure that there are no burrs and scratch.
 5. All the breakers are "OPEN" when deliver the product.
 6. Finish goods must be clean and free of foreign matter.
